March 22, 1967

Dr. Joshua Lederberg  
Executive Head  
Department of Genetics  
Stanford School of Medicine  
Stanford, California

Dear Dr. Lederberg:

Alex has mentioned to me that you are doing a syndicated column for national newspaper distribution. We would be interested in some information about this. It could be something that would be appropriate for the Syntex Reporter.

Sincerely,

Frank Koch  
Director of Corporate  
Public Relations
